## Homework Analysis - Writing

### Summary

Oleg Jansson prepared for his adventure weekend by choosing a mountain he'd long wanted to climb, making a list of essentials, booking a campsite, and selecting a suitable route for his fitness level. He packed energy bars for the climb and set off after work. During the trip, he met interesting people, enjoyed the calming change of scenery, and felt physically challenged yet rewarded. The experience brought him deep rest, satisfaction, and motivation to plan another adventure soon.

### QUIZZZZZZ

## Title

Excellent!!!

## Introduction

Tourism brings both oppertunities and challenges.

拼写错误

... others think that it highlights its econmic benefit.

①拼写错误

②下文会写到经济和文化两个 benefit ➡ benefit 建议用复数

I believe tourism's adventures outweigh its drawbacks when manage properly.

①拼写错误

② ... when manage properly.

Manage ➡ managed

这句话是被动语态 ➡ “动物园被恰当管理的时候” (动物园不能自己管自己呀)

完整句子 when it is managed properly.

## Body Paragraph 1

Firstly, tourists will bring extra income for many local business.

Tourism brings both opportunities and challenges.

... others think that it highlights its economic benefits.

I believe tourism's advantages outweigh its drawbacks when managed properly.

Firstly, tourism can bring economic growth. More tourists will bring extra income for many local

business.

Forrest 原文划掉的句子其实挺好的。“Economical benefit”属于对下文内容的总结。而“extra income”是“economical benefit”的具体表现

As the number of tourists increases, business such as ticket, resturants, hotels and souvenir shops, and our tour guide services expand their operations to meet rising demand.

As the number of tourists increases, businesses such as ticket offices, restaurants, hotels, souvenir shops, and tour guide services expand their operations to meet rising demand.

① businesseses such as ... ➡ 因为后面句子在罗列不同的 business，建议用复数

## ② 售票处

noun

美 /ˈtɪkɪtɒfɪs/ ㄊㄧˊㄙ

► Noun

an office or kiosk where tickets are sold 票房,售票处。

## ③ restaurant 拼写错误

This expansion leads to the hiring of additional staff, reducing unploymeet rates.

This expansion leads to the hiring of additional staff, reducing unemployment rates.

拼写错误

... seasonal tourism has created thousands of part time and full-time jobs, ...

... seasonal tourism has created thousands of part-time and full-time jobs, ...

① part-time / full-time 是一个单词哦，不是分开的两个词

而是复合形容词 (compound adjectives)，用来修饰名词“jobs”

② restaurant 拼写错误

## Body Paragraph 2

... or purchase <u>culture</u> products <u>like</u> <u>hand made</u> crafts or <u>local snacks</u> , they gain a deeper understanding of the region's heritage.	... or purchase cultural products <u>such as handmade</u> crafts or <u>local cuisine</u> , they gain a deeper understanding of the <u>region's heritage</u> .
---	---

① culture ➡ cultural, 形容词修饰名词 products

② like ➡ such as ➡ more formal

③ local snacks ➡ local cuisine

因为

\*后面提到 heritage, 用 snacks 涵盖的范围不够 cuisine 广

local cuisine ➡ 当地的饮食文化、美食体系, 包含正餐、特色菜肴、小吃等所有食物种类

\*cuisine 比 snack 更 formal

... creates emotional connections that <u>inspire</u> wildlife protection efforts.	... creates emotional connections that <u>raise awareness of</u> wildlife protection efforts.
--	---

对比修改前后逻辑:

① 修改前: 情感连接 ➡ 激励保护行为 (跳太快)

② 修改后: 情感连接 ➡ 提高意识 ➡ 促进保护行为 (循序渐进)

This <u>exchanges</u> the area's	This <u>enhances</u> the area's reputation
----------------------------------	--

reputation and encourages the protection of traditions.

① 为什么是 “exchange reputation” ?

Enhance reputation ➡ 提高声誉

... such as fridge magnets shaped like local landmarks ...

and encourages the protection of (+such) traditions.

... such as fridge magnets **in the shape of** local landmarks ...

**OR**

... fridge magnets (完整版: which resemble) **resembling** local landmarks ...

**OR**

... fridge magnets (完整版: which are shaped as) **shaped as** local landmarks ...

Like 很口语

## Conclusion

In conclusion, tourism not only strengthens the economy by creating jobs, ...

In conclusion, tourism strengthen the economy, which in turn creates more job opportunities for local people...

“creating job” 不是经济发展的方式哦! 如果经济不好, 也不需要这么多人上班了 (没活儿

干)；如果经济好，才需要更多人干活。

所以：发展旅游业 ➡ 多人来旅游 ➡ 各方面需求大 (经济好) ➡ 需要更多人干活儿

### My day in a flight machine

My dad's a pilot, and last weekend his airline organised a Pilot Experience Day for friends and family of staff members. My dad asked if I wanted to go and I said yes straightaway! The day involved sitting inside the flight machine that pilots use to practise flying. It's not a real plane of course, but my dad says that it's designed to make you feel like you're flying one when you sit inside.

The first thing we did was watch a video showing how the flight machine works. I tried to concentrate, but I was really excited and it was impossible to remember the instructions. This was OK though: all the instructors are trained to help beginners like me, and learning about the machine was really good fun.

After the video, it was time to get inside the machine. I'd been inside a plane before with my dad, but I'd never had the chance to actually sit in the pilot's seat, so this was pretty cool. The fact that we could choose our own flight destination was one of the best things about the day, so I decided to 'fly to' Hawaii first, and then Iceland! Looking down on the different landscapes was amazing. What a shame I wasn't flying for real!

I'd expected it to be hard to know what all the different switches did, and I was right. There were so many! But with my instructor explaining what to do, I managed to get the machine to 'take off' successfully, which was fantastic. I tried turning the 'plane' to the left, but that was quite scary. I think I'll leave that to the real pilots!

In spite of the challenges, I had a great Pilot Experience Day, and would definitely recommend it. I loved the fact that the machine was so realistic and there were opportunities to take some great selfies. One of the highlights of the whole day though was the chance to actually experience what my dad does every day. Who knows, I may even consider the same career myself.
